

This theme is designed and developed by TangoPixel.com
Visit our website to take a look at our latest core themes.

Contact us if you need help to customize this theme according to your needs or to match your brand.
If you don't find what you are looking for, No need to worry, we can built a custom core theme for your 3dcart store.

Header

Phone Number and Email:

- ❖ To change Email and Phone number;
 - Go to **Settings** ->**General** ->**Store Settings**
 - Click on the "Store" tab
 - Scroll down to the "Merchant Information" section of the page.
 - Look for the **Phone Number** and **Email** field and change it.
 - Finally save changes.

Logo:

For instructions to change the logo, please refer to:

<https://support.3dcart.com/knowledgebase/article/View/630/5/how-do-i-add-logos-to-my-store>

Menu Links:

- ❖ **Menu Links:** From your 3dcart Online Store Manager: Go to **Content** -> **Site Content**. Here, you can easily Add / Edit / Remove your menu links and you can easily sort them out. Read more information about managing site content section here: <https://support.3dcart.com/Knowledgebase/Article/View/51>

Category Navigation:

Please refer to <https://support.3dcart.com/Knowledgebase/Article/View/178/9/how-do-i-use-categories> for details of managing categories.

Homepage

Carousel:

You can add upto 6 slides to the homepage main slider. Please refer to this article below:

<https://support.3dcart.com/Knowledgebase/Article/View/582>

Category Banners:

For each banner you can modify;

- **Banner image**
- **Banner Heading**
- **Button link URL**
- **Button Text**
- **Image alt text (For SEO purposes)**

How to upload images?

<https://support.3dcart.com/Knowledgebase/Article/View/389/6/how-do-i-upload-my-product-images>

Code:

```
<section class="HomeTopBanner wow fadeInUp" data-wow-delay="0.1s">
    .....
    <div class="banner-inner mid-banner">
        
        <div class="bannertxt">
            <h3>Proin dign ir<br/>augue non</h3>
            <a href="https://www.3dcart.com/" class="btn btn-primary
animatebtn">Shop Now</a>
        </div>
        .....
        <div class="banner-inner">
            
            <div class="bannertxt bannersmall_left">
                <h3>Morbi eget<br/>eleifend</h3>
                <a href="https://www.3dcart.com/">Shop Now</a>
            </div>
            .....
            <div class="banner-inner">
                
                <div class="bannertxt bannercenter">
                    <h3>Nullam id<br/>mollis velit</h3>
                    <a href="https://www.3dcart.com/">Shop Now</a>
                </div>
                .....
                <div class="banner-inner">
                    
                    <div class="bannertxt bannersmall_right">
                        <h3>Aenean <br/>bibendum</h3>
                        <a href="https://www.3dcart.com/">Shop Now</a>
                    </div>
                    .....
                    <div class="banner-inner">
                        
                        <div class="bannertxt">
                            <h3>Nullam id<br/>mollis velit</h3>
                            <a href="https://www.3dcart.com/" class="btn btn-primary
animatebtn">Shop Now</a>
                        </div>
```

Note: In code representation indicates some html tags have been ignored

To modify banners;

- ❖ Connect to your store through FTP and navigate to template folder **/web/assets/templates/madewithlove-core/**
- ❖ Look for the file named **home.html** and download it to your computer.
- ❖ Open the file in your text editor to make changes. After your changes are complete make sure to upload it back to the same folder and replace the file there.
- ❖ In the file **home.html** look for the code above to modify the content as needed.
- ❖ Upload images to media library and use their URLs in **Banner image**. The recommended size for these images is: 360px x 359px, 360px x 150px and 360px x 539px.
